CLUB PURPOSE

Forest Hill Figure Skating Club exists to offer a place where individuals can immerse themselves into a community of creative athletes.

We strive to support a journey towards excellence, in both athletic skill, and personal development. Whether it be acquiring the ability to figure skate at a competitive level, mastering hockey edge work required for optimal performance, or exploring one's artistic flare through leisure skate programs.

FHFSC is focused on community, both inside and outside the rink walls. Inside, we strive to have all members and coaches feel a proud sense of belonging, and to always feel supported. On the outside, we are dedicated to giving back, and being involved members of the broader Forest Hill community.

Our primary goal is to teach the fundamentals of figure skating, while creating strong and lasting relationships with our members. At our club, we connect, we socialize, we learn, and we SKATE.

Message from our Artistic Director and Board President

I am thrilled to welcome you to an incredible showcase of talent and artistry on the ice! This year's ice show, *Skating Through the Decades*, is sure to be an unforgettable experience. Our amazing skaters - ranging from first-time performers to our graduating seniors, whom the club will greatly miss - have dedicated countless hours to developing their skills and preparing for today. It's always a joy to watch them perform with such confidence and passion, and the support and expertise of our coaching team have played a key role in bringing this event to life.

Following another year of growth and change within our club's management and programming, I would like to extend my heartfelt thanks to our skaters, coaches, management team, and volunteers. Your dedication and hard work have made the 2025-2026 season truly successful.

A special shout out to our Ice Show Committee - Allie Biederman, Bryna Kligman, Kelly Van Buren, and Mary Sayyad - for all their behind-the-scenes work. From site visits and meetings to email coordination, registration setup, and countless other tasks that made everything you see today possible. Kelly was planning this show the minute last year's show ended!

Thank you for being part of the FHFSC community—we're so glad to share this experience with you. Enjoy the show!

Blair Naiberg
Artistic Director

FHFSC Management Team

Thank you to everyone for your support of our skaters this season! We have enjoyed watching our CanSkaters learn new skills and grow their confidence, and we're excited for them to share their enthusiasm for skating with all of you.

We are grateful to the parents and caregivers for bringing their skaters to the rink, to our wonderful coaching staff for their skillful instruction, and to our amazing group of Program Assistants for their invaluable support and encouragement on the ice.

This year has been one of growth for our club and programs. We have welcomed many new CanSkate and Adult members to our club and introduced our brand-new FHIST Special Olympics program. It is wonderful to see all of these skaters represented in this year's Ice Show.

Thank you to everyone who made this year's show possible - our fabulous skaters, our coaching staff for their entertaining choreography, our Line Leaders for being such great role-models, our volunteers and our dedicated Ice Show Committee. Without all of you, this show would not have been possible.

Once again, congratulations to our incredible skaters on all your success! We hope you enjoy the show!

Skaters, Coaches and Team,

I would like to extend my heartfelt congratulations to all of our StarSkaters on a truly fantastic ice show. Your hard work, dedication, and passion were evident in every performance, and it was a joy to watch you shine on the ice.

A special congratulations to our Artistic Director, Blair Naiberg, for bringing together a creative and engaging performance. Your vision made the show a memorable experience for everyone involved!

I would also like to recognize coaches - Barb Lehming, Kelly Van Buren, Jed Boyce and Tina Hegner-Boyce - for their beautiful choreography and commitment to helping each skater perform at their best. Your work behind the scenes made a tremendous impact.

Additional shout out to Kelly Van Buren for providing the wonderful music editing and to our Master of Ceremonies, Jed Boyce...I can't thank you enough!

Sincere appreciation to our Club Administrator, Mary Sayyad for your support in this years ice show. Your efforts are truly appreciated.

Although I have only been here for a short time, it has been incredibly rewarding to see the talent, teamwork and growing sense of community within this club. I feel very fortunate to be a part of this group.
